+++++++++++++

Mrs. Josephine Allcock has filed suit against Ida Fitzgerald and Russel L. Tracy to quiet title to the premises of which she said she had been defrauded about a month ago. She alleges in the complaint that Mrs. Ida Fitzgerald obtained the deed to the property without any compensation to her, and that Mrs. Fitzgerald had the deed recorded and executed a mortgage on the property to Russel Tracy for \$500.

Ejected Mrs. Fitzgerald.

This is the sequel to a complaint filed some time ago by Mrs. Fitzgerald claiming that Mrs. Allcock had violently ejected her from the premises in question, which she claimed to have purchased from the plaintiff in the present suit. Mrs. Allcock at the time alleged, as she does in the present suit, that Mrs. Fitzgerald obtained the deed that Mrs. Fitzgerald obtained the deed from her by a trick, and never paid her a cent of the \$3000 which was to have been the price

It is claimed by Mrs. Allcock's rela-tions that she is a very simple-minded woman, and has been the victim of similar schemes before.

The Charges Made.

The complaint alleges that the deendant procured and induced Mrs. Allcock to execute the deed of conveyance with intent to cheat and defraud the plaintiff out of her land; that the defendant is financially worthless, and that the mortgage on the property to Russel Tracy clouds her title to it. Wherefore she prays that the Wherefore she prays that the deed be cancelled and that her title to the said premises be quieted and Mrs Fitzgerald he forever barred from having or claiming any right or title to the premises. ie mortgage be declared vold and cancelled.

#### THE VALUE OF CHARCOAL.

Few People Know How Useful It Is in Preserving Health and Beauty.

Nearly everybody knows that charcoal is the safest and most efficient disinfectant and purifier in nature, but few realize its value when taken into the human system for the same cleansing purpose. Charcoal is a remedy that the more you take of it the better; it is not a drug at all, but simply absorbs the gases and impurities always present in the stomach and intestines and carries them out of the system.

and intestines and carries them out of the system.

Charcoal sweetens the breath after smoking, drinking or after eating onlons and other odorous vegetables.

Charcoal effectually clears and improves the complexion, it whitens the teeth and further acts as a natural and eminently safe cathartic.

It absorbs the injurious gases which collect in the stomach and bowels; it disinfects the mouth and throat from the polson of catarrh.

All druggists sell charcoal in one form or another, but probably the best charcoal and the most for the money is in Stuart's Charcoal Lozenges, they are composed of the finest powdered Willow charcoal, and other harmless antiseptics in tablet form or rather in the form of large, pleasant tasting lozenges, the charcoal being mixed with honey.

The daily use of these lozenges will seen

for divorce in the District court yester-day.

He alleges that on or about the 5th of April 1904, his wife committed adultery with one Peter Johnson, and also with divers other persons whose names are unknown to the plaintiff. Besides this, he complains that Mrs. Wood has caused him great mental distress since their marriage by her cruel treatment of him; that she drove him from their home and used insolent and protane and vice language towards him, and became and remained volcinity angry with her husband without just cause or provocation. He also makes the charge that his wife consorted with disreputable persons in disreputable parts of Sait Lake City during the months of March and April in this year.

They were married in Los Angeles in August, 1902.

Supreme Court Adjourns for Term.

Supreme Court Adjourns for Term.

The Supreme court adjourned yesterday for the term until January 2. The term was to have continued until October 25, but the court came to the conclusion yesterday that it would be best to close the session at once. The reason for this is the coming retirement of Chief Justice Bankin. There is a great deal of business already before the court and as there is not much time to finish it up before the end of the year and the retirement of the Chief Justice. It was thought advisable to wait until the new Justice comes to the bench before any more business is taken up.

of the State.

Judge Hall made an order for the cale of the property involved in the case of Florence Y Brastow vs. George E Brastow and George B. Brastow as administrator of the estate of Katherine Brastow deceased. This is a suit for divorce on the ground of failure to support. One-third of the proceeds of the sale is ordered to be deposited with the Clerk or the Court. The defendants in the suit had a one-third interest in the estate of the late Katherine Brastow, which consists of some property in Sait Lake. The plaintiff heard that her husband was going to have the property sold, which would have made the judgment which she might have obtained afterward ineffectual.

Judge Lewis yesterday granted judg-ment by default to I. N. Parker in his suit against Peter Fransden, J. W. Seely and James H. Wilcox for \$86 and \$11.50

"Use Hyomei and be cured of catarrh," is what all who have tried it for that disease say to their friends. O. S. Caswell of North Middleboro, Mass., writes: "Hyomei has relieved me from a choking catarrhal trouble and cleared by head. I am glad to recommend it to my friends.

It is the easiest thing in the world to stop catarrh or a catarrhal cold at its beginning if you use Hyomel. Just breathe the health-giving, balsamic air for a few minutes and your catarrh will be cured.
